Arts & Sciences Tailgate set up, maintenance, and break down
BEAT BYU October 14, 2017

Unload Bickle/Bernstein/Cooper truck to curb; park truck

food coolers

satellite receiver, tailgater, card table

BB&C's big tubs

“ orange cooler

coffee carafe

gasoline

gallon jugs water

“ “ Dawg water

“ “ tea

coffee thermos

Open and arrange tables (see schematic)

Lay chairs in place on ground (see schematic)

Move BB&C food coolers under middle Main Food Table; BB&C tubs under TV table

Bring from A&S trailer to tailgate site *in approximately this order*

generator & television

Kitchen Drawers

orange cooler, coffee maker, and bus tub

tubs #1-5

nested chafing dishes, and tub with stands

(leave stock pots in trailer)

red bucket of plastic cups

drink coolers (5 total; *fill at trailer*, see labels on coolers)

Can use yellow wagon to cart this stuff!

Put all of these under/at appropriate tables (see schematic)

WHEN ICE ARRIVES @8am

ice down drink coolers

fill A&S orange cooler ~3/4 full of ice; fill with water

“ BB&C “ “ “ “ “ “ ; fill with tea

See schematic for cooler kind placement

Set up TV (and Coffee & Dessert) Tables

- tablecloths and clips (in Kitchen Drawers)
- place TV, receiver, and power strip
- place coffee maker, carafe, thermos, coffee cups, cream & sugar, and four gallons water

Electrify!

- fill generator gas tank and crank ‘er up
- run shorter orange cord (labeled “generator”) to power strip on TV table
- connect tailgater-receiver-TV as shown on guide on tailgater
- corral all things tailgater & generator using chairs, caution tape & flags
- fire up the television!*
- make coffee!*

Run overhead power cord to center of Main Food Tables

See schematic

Prep Main Food Tables

- tablecloths and clips
- set up butane burners (in BB&C tub)
- assemble four chafing dishes on middle table
- plug in slow cookers on left table, turn on (high then low?)
- begin heating four chaffing dishes with:

VEG green chili

VEG Texas bean

VEG huevos

VEGAN huevos

Chilaquiles

Texas bean w/ bacon

Egg b'fast casserole

<p>Beginning with Open up chairs and continuing through Set up Appetizer Table should be done in this order, but can be done in parallel if there are enough folks pitching in.</p>

Open up chairs

- loosely define perimeter but cluster into conversation groups leaving some open space
- and being sure to NOT put any chairs near the tailgater/generator set up

Set up Centerpiece/Kids' Table

- tape pre-cut craft paper (in BB&C's tub under TV table) for tablecloth
- place centerpiece & kids' stuff (& swag if available)

Place “Dawg water” sign and fill bowl with Dawg water

Set up Beverage Table (see schematic for cooler placement)

tablecloths and clips (in Kitchen Drawers)

plastic cups

label sections by writing on tablecloths, e.g., “**BEER** ↓“

Set up Appetizer Table

tablecloth and clips

serving bowls for chips; small bowls (from tub #2) for dips

place napkins, some plates and bowls; fill bowls with chips when the time is right

—> *biscuits and condiments go here*

—> *guacamole goes here*

Ongoing Check coffee, water, tea, and coolers; Refill as needed

Ongoing Check trash cans; Empty as needed

Set up Main Food Tables

fill one plasticware caddy with folks

“ “ “ “ “ spoons & knives

plates, napkins, & caddies at end of table nearest tree

put serving utensils (from Kitchen Drawers) by each dish

Let’s eat!

Ongoing Check coffee, water, tea, and coolers; Refill as needed

Ongoing Check trash cans; Empty as needed, put bags away from tent space closer to street

Begin cleanup

- encourage folks to take to-go plates of left overs; ziplock bags in Kitchen Drawers
- put unused plates, plasticware, etc. into appropriate tubs
- collect dirty serving dishes and serving ware, put into Bus Tub
- throw away insignificant amounts of leftover food
- move coolers to lawn outside tent space, open drains, tip to empty
- make decisions about remaining food
- throw away tablecloths

Shut down generator to cool

Break it down

- pack up TV, satellite receiver, tailgater, and put electric cords in tub #5
- when things have been returned to their proper tub, get wagon from trailer and move tubs back onto proper shelves (as indicated by the number on the shelf)
- fold and stack chairs
- break down tables
- move A&S coolers to proper locations in trailers AND STRAP IN WITH BUNGI CORDS
- collect BB&C items, including bus tub, satellite receiver and tailgater
- put wagon (with large cooler and red cup tub) in trailer
- put TV in trailer
- put generator in trailer
- lock up tables and chairs

PLEASE BE SURE ITEMS IN TRAILER ARE SECURE AND
THAT BOTH TRAILER DOORS ARE LOCKED!

Thank you, thank you, thank you for helping to make the A&S tailgate a smashing success!
